

JACK HANLEY GALLERY

NEW YORK ENTERTAINMENT

To Do: January 27–February 10, 2016

Twenty-five things to see, hear, watch and read.

Art

See **Juwelia: Paintings**

A real discovery.

The visionary gallerist Jack Hanley has identified so many artists who have gone on to great things that he deserves a mini-MacArthur. Now he brings us the almost unknown, Florine Stettheimer-like flowery fantasy paintings of Juwelia. Drenched in these performative paintings, we unravel a little, open up, sigh, and feel love. - Jerry Saltz

Jack Hanley Gallery, through February 7.
