

JACK HANLEY GALLERY

*NEW YORK* ENTERTAINMENT

**To Do: December 14–December 28, 2016**

*Twenty-five things to see, hear, watch, and read.*

**Art**

**3. See Nikki Maloof: After Midnight**

*Like Celestial Seasonings packages gone wild.*

This gallery just keeps discovering new alluring artists. Here, Nikki Maloof sways us with electric color, funky figuration, and smooth touch in strange scenes of tigers in the forest, monkeys in trees, and *Starry Night*, a stunner with a rainbow grid supporting moths and insects that entices us to come hither.
