

JACK HANLEY GALLERY

FOR IMMEDIATE RELEASE

Margaret Lee / Waiting For ####
November 12 - December 10, 2011
opening: November 12, 6-9pm

This economy forces double-fisting sometimes but mostly triple or quadruple. How much can you carry? I have 17 keys on my keychain and this show was made on stolen time. There are 4 pieces in this show and all of them are exactly what they are: backdrop painting of a jungle, oil on muslin, 10' x 27'; cast watermelon, acrylic on plaster, 11" x 8" x 8"; zebra skin painting, oil on linen, 9' x 6'; color photograph, 19" x 24". Actually, 3 of the 4 are replications of what they are meant to be: a jungle, a zebra skin, a watermelon.
